

ADD CABLE Table
Design: Anya Sebton, 2013

LAMMHULTS

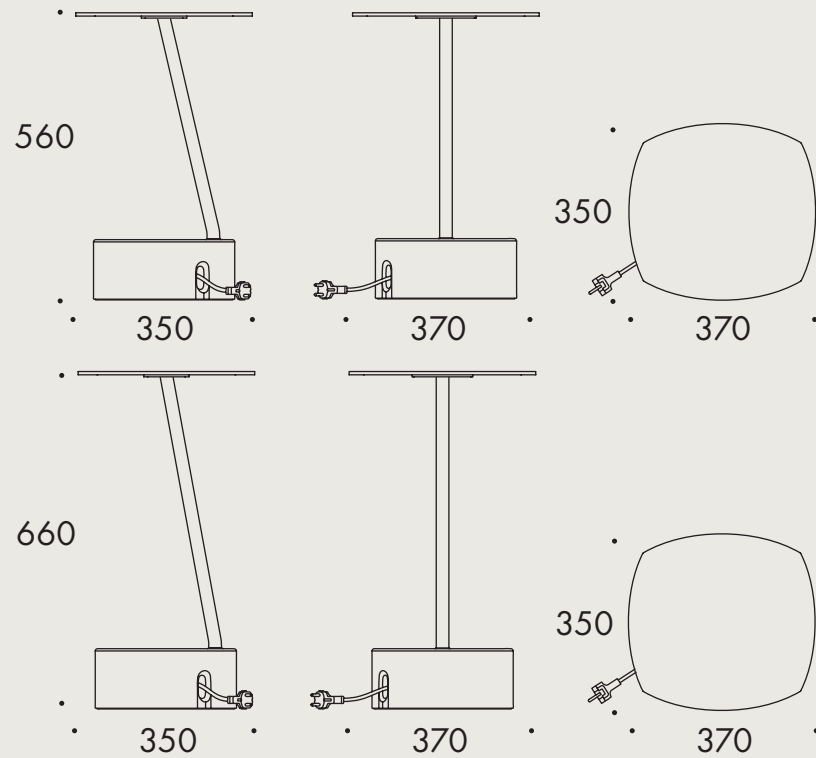

PLAYFUL, CLEAN AND CLEAR FUNCTIONAL DESIGN

Add Cable Table is designed to never let multiport charging be more than an arm's length away. Equipped with power outlets and Power USB it allows you to power up your laptop, phone or tablet. Gather several tables to create a spontaneous meeting, perfect for the activity-based environment.

SPECIFICATIONS

Texture powder coated spin formed steel foot with pillar of 25mm steel tubing. Table top of 3 mm texture powder coated steel sheet. Felt glides. Incl. 5m retractable cord reel. Anthracite outlets in two versions: 2 power outlets or 1 power outlet + 2 Power USB. Note! Plug and sockets only in Schuko standard.
