### **SIGNATURE TOUCH OF ELEGANCE WITH UTMOST CRAFTSMANSHIP**

A more generous seat width, wider armrests and extra padding for better comfort. Archal XL constitutes yet another compliment to the Archal family. Carrying the Lamhults' signature touch of elegance with utmost craftsmanship, Archal XL is truly XL – available in either Lounge or Conference versions.

Archal XL is available fully upholstered quilted, with or without armrests, in two different styles: a 5-foot swivel base version with casters, and a 5-foot swivel base version with glides. Conference version comes with a height adjustable frame. All frames in the same graphic, stylish Archal design.
