HARD WORK ON THE GO

The Quickly table is a model of efficiency, with compact folding construction using a quick-lock mechanism for simplicity, safety and stability. Quickly is easy to handle, fold and unfold, for one person, using the unique patented leg locking mechanism.

Quickly is available with either T-leg or mitre-welded folding leg assemblies and different types of tops, Flexible and Basic, both in several sizes. Quickly accessories include linking devices, modular quarter-round linking tops, modesty panels, and a ten-table trolley for moving folded tables.
